## "Everybody Needs Someone to Love"

Hailing from the United Kingdom, highly respected songwriter Robert Shrigley has chosen Australia for the launch of his debut EP "Everybody Needs Someone to Love". This finely crafted piece of pop with a blues edge will be irresistible to all lovers of catchy songs with interesting and sometimes quirky arrangements and production.

Robert Shrigley has worked extensively overseas. In 1992 he was involved in a project with Nigerian singer/songwriter Al Diamond, which culminated in the release of a single "Peace To The World" which was played regularly on radio

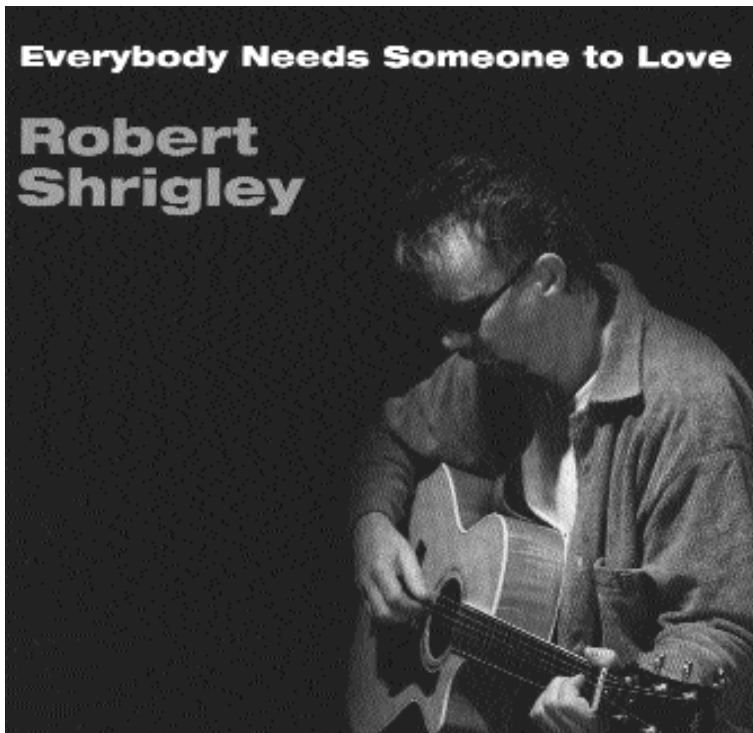

stations throughout the UK, Nigeria, Germany and USA.

After the success of this he went on to record "Inner City Streets" to help raise funds and awareness of the poverty in South America and also played shows in Ecuador.

An eclectic artist, with influences ranging from psychedelic and punk to Medieval and Celtic styles, he is currently working on a project which combines elements of

Turkish dance music with Celtic and English club dance.

This debut release from the brilliant songwriter Robert Shrigley features shining melodies and thoughtful lyrics. It was recorded in Melbourne, Australia with some of the best musicians around. Robert is currently touring Turkey. He will return to Australia to record an album before taking on the world some more!
